

Tournament Price Per Play

At Major Leisure Game Tournaments, The Price Per Play Will Be:
All Games - \$1.00 Except "901"

Rules And Conduct

Players have 5 minutes to report to their tournament board to avoid the first game forfeiture, then 7 minutes to avoid forfeiting the match.

Any misconduct for example: abusing the dart boards is subject to verbal warnings, yellow card cautions, and red card suspension/ejection from event and possibly entire tournament. Two yellow cards will be equivalent to a red card suspension/ejection.

In addition, when, in the opinion of the Tournament Director, an individual or a group of individuals threaten to disrupt the harmonious progression of any Hawaii Pacific Cup Event, the Tournament Committee reserves the absolute authority to subjectively interpret and decide actions that will best allow the progression of any Hawaii Pacific Cup Event.

All players and spectators in tournament area must be of legal age as defined by the laws pertaining to the purchase of alcoholic beverages and possess an acceptable form of identification or accompanied at all times with a legal guardian.

✓ GAME REQUIREMENTS

*An equivalent of 8 weeks of match play recorded in the Fall 2014 Medalist/DARTSLIVE/Pacific Dart League
 *All NRP's must meet minimum game requirements
 Players active in a Non Conflicting National/International League/Tournament System from Out of State are eligible for Hawaii Pacific Cup Events with Rating Verification from Authorities from their National/International Organization and will participate at a rating determined by the 2015 Pacific Cup Tournament Committee.
 All Entrants must possess and utilize their own registered DARTSLIVE Membership card.
 Only one DARTSLIVE Membership card shall be utilized for the entire event.
 Players possessing multiple cards shall use the card with the highest rating.

✓ RATING VERIFICATION

Rating will be verified at Check In.
 Tournament ratings recorded from Major Leisure Games Events will be taken into consideration in determining the Entry ratings for the 2015 Hawaii Pacific Cup.
 There are limits on acceptable differentials between a Tournament Rating (the rating used by a player to enter the Pacific Cup Events) and an Event Rating (the rating level the player is shooting in the Pacific Cup Events). If a player's Event Rating exceeds their Tournament Rating, They will need to enter future Pacific Cup Events and play at the newly acquired Card Rating. Said rating does not impact the teams and the standings within the flight from which the stats were derived.
 A player may be rerated by the Pacific Cup Tournament Committee. Once a player is rerated, the new rating applies throughout the remaining Pacific Cup Events (cannot go down). If a player is rerated twice, said player will be disqualified from further participation, will not receive prize money from the event in which the second rerate occurred and will not receive refunds for subsequent events. Said player's future eligibility in Major Leisure Games Events will be determined after the Hawaii Pacific Cup Events.
